by partners in Bilbao, Spain

Welcome

It is a great pleasure to invite you as a sponsor to the 14th Congress of the European-African Hepato-Pancreato-Biliary Association, organized by the Spanish Chapter of the E-AHPBA.

The meeting will be held online and hosted by the team in Bilbao, from Wednesday September 15th to Friday 17th 2021. The organizing committee in cooperation with the E-AHPBA will put the greatest effort into the creation of an exciting scientific programme: in addition to state-of-the-art lectures and interdisciplinary symposia, the meeting will give clinicians and scientists from Europe and all over the world the opportunity to present and exchange their HPB experience with particular emphasis on the integration of young surgeons. Therefore, we expect around 1,200 experts, decision makers and visitors from all over Europe, the Middle East and Africa but also from the United States, Asia and Central and South America to attend the virtual congress.

Take the unique opportunity to become a sponsor of the 14th E-AHPBA Congress and present your company and services to an international, high-profile audience. The 14th E-AHPBA Congress offers the perfect setting for presentation and contact with potential customers as well as numerous decision makers from government, science and medical industry.

We will provide a scientific programme with many options for dedicated industry sponsored events, which is a unique chance to get to know your potential business partners and update your knowledge on the latest trends and developments in the field of HPB surgery and transplantation.

You are cordially invited by the Congress Organizers to join the event.
